Article properties

According to	EN 1092-1 Type 11 (previously DIN 2633)
Field of application	Chemistry & General industry
Maximum pressure of 140°C when right gasket is used	PN6 / PN10 / PN16 / PN25 / PN40
Gasket Material	NBR
Finishing general	Unfinished Ra 25µm
Certification	EN10204/3.1 Certificate
